

**Certification for Groundwater Monitoring System**

**CCR Units:** Fly Ash and Bottom Ash Basins

**Certification:**

I, **Scott M. Graves**, a qualified professional engineer registered in the state of **Louisiana**, have reviewed the information on the groundwater monitoring network and well construction details for the CCR Unit at the LaGen Big Cajun II Power Plant as presented in the *Basis for Groundwater Monitoring System Certification* and based on my review, in my professional opinion, find that the multi-unit Groundwater Monitoring System for the Fly Ash and Bottom Ash Basins has been designed and constructed to meet the requirements of 40 CFR §257.91.
