

RESIDENTIAL ELECTRIC SERVICE**(1) AVAILABILITY**

Service under this schedule is available at any point on the Company's electric system where facilities of adequate capacity and suitable phase and voltage are adjacent to the premises to be served.

(2) APPLICATION

This schedule is applicable to service furnished under the following conditions:

- (A)** Private residences and individual family apartments for all domestic purposes therein, where service is supplied at one point of delivery and measured through one meter or one metering installation.
- (B)** Combination domestic and farm purposes, provided that farm use must be limited to the processing of products grown or raised on such farm, or products for ultimate consumption on such farm. Such usage of electricity for farm purposes, in conjunction with residence use, shall ordinarily be measured and billed through one meter. However, when the distance on any one such farm between the residence and the place of other use is, in the opinion of the Company, so great as to render such combination impractical, each location will be metered and billed separately.

This service shall not be shared or resold.

(3) TYPE OF SERVICE

Single-phase alternating current at any one standard voltage. Voltage shall be at the option of the Company.

(4) NET MONTHLY RATE

(a) CUSTOMER CHARGE: \$10.00

(b) Plus ENERGY CHARGE per kWh, for consumption in the billing months of:

May - October:	All kWh	3.835 cents per kWh
November - April:	First 500 kWh	3.328 cents per kWh
	All other kWh	2.835 cents per kWh

(c) Plus ADDITIONAL FACILITIES CHARGES, if applicable. The Facilities Charge shall be agreed upon between the Company and the Customer based on the cost of the facilities and the anticipated annual charges required. Such agreement shall be in writing and made a part of the electric service agreement.

(d) Plus FUEL CLAUSE ADJUSTMENT as determined under Adjustment Clause FA.

(e) Plus SUPPLY COST ADJUSTMENT as determined under Adjustment Clause SA.

(f) Plus STORM RESTORATION COST ADJUSTMENT as determined under Adjustment Clause SRCA.

(g) Plus STORM COST SURCREDIT ADJUSTMENT as determined under Adjustment Clause SCSA.

(h) Plus LIGHTING COST ADJUSTMENT as determined under Rider RSSL, if applicable.

RESIDENTIAL ELECTRIC SERVICE
(Continued)

- (i) Plus the proportionate part of any **new tax or increased rate of tax**, or governmental imposition (except state, parish, city and special district ad valorem taxes and any income taxes) levied or assessed against the Company or upon its electric business, as the result of any new or amended laws that may become effective and operative after **January 1, 1986**.

(5) MINIMUM MONTHLY CHARGE

The minimum monthly charge shall be the Customer Charge **plus** any Additional Facilities Charges **plus** Energy charges **plus** Fuel charges **plus** applicable Supply Cost Adjustments **plus** applicable Storm Restoration Cost Adjustments **plus** applicable Storm Cost Surcredit Adjustments **plus** any applicable Lighting Cost Adjustments.

(6) SERVICE PERIOD

Not less than one month.

(7) PAYMENT

Bills for service furnished hereunder shall be rendered Net and Gross. The Net Bill is due when rendered and if not paid within 20 days the Gross Bill becomes due. The Gross Bill is the Net Bill **plus** 5% of the first \$1,000.00 and 2% of any amount greater than \$1,000.00.

(8) TERMS AND CONDITIONS

Service furnished under this schedule is subject to the Company's Standard Terms and Conditions for Electric Service and to all applicable rider schedules and adjustment clauses.
