

ECONOMIC BENEFITS

Project Diamond Vault during the construction period will:

- Create approximately 2,900 direct and indirect jobs each year
- Inject approximately \$2.7 billion into the Louisiana economy
- Produce approximately \$50 million in increased state tax revenues

Project Diamond Vault is expected to create 30 to 40 new permanent jobs in addition to the existing 150 jobs at Cleco's Brame Energy Center.

Cleco's Commitment

Building a state-of-the-art carbon capture and storage (CCS) facility will accelerate our efforts to preserve the environment and drive economic benefits to Louisiana through our long-term commitment to supply safe, clean and reliable energy.
