▶ Required documentation

Please submit the following required documentation:

- Completed rebate form
- Proof of Purchase
- AHRI Certificate for installed unit

* All documentation must be submitted within 60 days of purchase date.

In order to qualify for this rebate, the geothermal heat pump must meet the minimum requirements of the ENERGY STAR Tier 3 geothermal heat pump key product criteria and the model # must be listed on the ENERGY STAR website at <https://www.energystar.gov/productfinder/product/certified-geothermal-heat-pumps/results>.

By signing below, the purchase certifies that the geothermal heat pump for which they are claiming a rebate is installed at the address listed above and authorizes Cleco to perform a phone survey or physical inspection to confirm installation.

This rebate is only for newly installed, complete systems. Replacements of partial systems do not qualify. One geothermal heat pump rebate allowed per address.

All rebate forms must be received within 60 days of purchase of your new geothermal heat pump. Please allow 4-6 weeks for processing. For more information about this and other energy efficiency programs, visit <https://www.cleco.com/powerwise> or call **1-833-373-6842**.
