## ▶ Project Scope

Please select which measures will be installed at the project site. For each selected measure, complete the measure details that follow.

Central Air Conditioner  ENERGY STAR Pool Pump

Central Heat Pump  Water Heater

Smart Thermostat

## ▶ Central Air Conditioner or Heat Pump Details

Central Air Conditioner  Central Heat Pump

System Type:  Split  Mini Split  Packaged Quantity: \_\_\_\_\_

Condenser brand

Condenser model #

Coil model #

Air handler/furnace model

Size (tons)

Cooling Btuh

SEER Rating

EER Rating

A minimum of **15 SEER** and **12.5 EER** is required in order to be eligible for this rebate.

Heating Btuh (heat pump only)

HSPF Rating (heat pump only)

A minimum HSPF of **9.0** is required in order to be eligible for this rebate.

Heating type (choose one)  Electric Resistance  Heat Pump

Natural Gas  None

The customer service invoice containing the model and serial number(s) for the installed unit(s), the AHRI certificate, and the certificate of occupancy must be received within 45 days of the certificate of occupancy issue date.

Certificate of Occupancy Issue Date

**NOTE:** If the Btuh are less than the minimum number of Btuh listed for each tonnage category, the next lower incentive will apply.

**Proof of purchase, photo of the installed unit, and the certificate of occupancy must be received within 45 days of the certificate of occupancy issue date.**

To qualify for the electric tankless rebate, the unit must exceed the baseline energy factor listed in the following table:

GPM Range	Draw Pattern	Baseline Energy Factor
0 - 1.69 gpm	Small	0.91
1.7 - 2.79 gpm	Low	0.91
2.8 - 3.9 gpm	Medium	0.91
4 gpm +	High	0.92

Program funding is limited, and participation is on a first-come, first-served basis. Offerings are subject to change without notice. Please allow 4-6 weeks for processing. This offer is exclusive to new homes built in Cleco residential service territory.

By signing below, the purchaser acknowledges that the equipment is installed at the site listed above and authorizes Cleco and its representatives to perform phone surveys or onsite quality assurance inspections before, during and after the work is performed to verify rebate eligibility.

**For AC/HP Equipment:** I understand that an AHRI certificate and customer service invoice must be submitted with this rebate form and that all information must be submitted within 45 days of install date in order to be eligible for the incentive. I also understand that the AHRI certificate can be found at [www.ahridirectory.org](http://www.ahridirectory.org).

**For Smart Thermostats:** In order to qualify for this rebate, the model # must be listed on the ENERGY STAR website at: <https://www.energystar.gov/productfinder/product/certified-connected-thermostats/results>.

**For Pool Pumps:** In order to qualify for this rebate, the model # must be listed on the ENERGY STAR website at: <https://www.energystar.gov/productfinder/product/certified-pool-pumps/results>.

**For Water Heaters:** In order to qualify for the HPWH rebate, the model # must be listed on the ENERGY STAR website at: <https://www.energystar.gov/productfinder/product/certified-water-heaters/>.
