

# ENERGY MATTERS

SEPTEMBER – OCTOBER 2025

## Cleco volunteers beautify Eunice Community Garden

Cleco volunteers pulled weeds, cleared overgrown grass and prepared a shade cloth for the Eunice Community Garden.

"It is with the help of companies such as Cleco that make our garden, Christmas festival and kids activities happen," said Randy Miller, Administrator of the Eunice Community Garden.

The project was part of the company's **Done in a Day** program where Cleco partners with charitable organizations to assist with a project that can be completed in one day or a few hours.

## Get a predictable monthly bill with Budget Billing

Budget Billing spreads the billing for energy usage over a 12-month period, so customers pay approximately the same amount each month. Most residential and small commercial customers can enroll in the program if they have 12 months of billing history. Enroll online at [Cleco.com/MyAccount](https://Cleco.com/MyAccount), the MyAccount app, contact customer service at **1-800-622-6537** or visit a customer service office.

## Cleco's Power Wise energy efficiency program featured on WDSU

WDSU-TV in New Orleans highlighted Cleco's **Power Wise** program, showing how it helps customers save energy and money. The segment featured a Cleco customer who participated in the no-cost residential weatherization assessment.
