CLECO POWER LLC, EX PARTE.
IN RE: REQUEST TO INITIATE INTEGRATED RESOURCE PLANNING PROCESS PURSUANT TO THE GENERAL ORDER (CORRECTED) DATED AUGUST 28, 2024 (R-36262)

DOCKET NO. I-37765

NOTICE OF UPDATED
INTEGRATED RESOURCE PLANNING ("IRP") SCHEDULE

Cleco Power LLC ("Cleco Power" or the "Company"), through its undersigned counsel, submits this Notice of Updated IRP Schedule (this "Notice") to the Louisiana Public Service Commission ("LPSC" or "Commission") pursuant to the requirements of Section 10, Attachment A, of the Commission's General Order (Corrected) issued August 28, 2024, in Docket No. R-36262 (the "IRP General Order"). Pursuant to the IRP General Order, the LPSC requires electric utilities to file a Request to Initiate an IRP Process, which shall include: (i) a schedule for completing the utility's IRP process; and (ii) a Proposed Confidentially Agreement. On October 22, 2025, Cleco Power filed its Request to Initiate an IRP Process, which was thereafter noticed in LPSC Bulletin #1362 (November 7, 2025) under LPSC Docket No. I-37765.[1] In accordance with the IRP General Order, Cleco Power filed its IRP data assumptions on February 26, 2026, and conducted the first IRP stakeholder meeting on March 23, 2026.

Subsequent to the filing of the Request to Initiate an IRP Process, the filing of the Company's IRP data assumptions, and the March 23, 2026, IRP stakeholder meeting, Cleco Power

[1] It should be noted that, pursuant to a joint filing by Commission Staff and counsel for Cleco Power, LPSC Docket No. I-37725, Cleco Power's Interim IRP docket, was consolidated with and into LPSC Docket No. I-37765.

filed on July 1, 2026, its *Application for Authorization of: (I) Site Specific Contract for Large Load Customer; (II) Bridge Capacity Contract; (III) Construction of New Transmission Interconnection; (IV) Construction of New Generation; (V) Associated Waivers; and (VI) Expedited Treatment*; please see LPSC Docket No. U-38035. On September 16, 2026, Administrative Law Judge Joy Guillot issued her Ruling on Motion to Establish Procedural Schedule and Cancel Status Conference, setting a procedural schedule that will facilitate the Commission's consideration of Cleco Power's Application at the Commission's March 2027 Business and Executive Session.

Cleco Power submits that the Commission's disposition of the Company's Application in LPSC Docket No. U-38035 will have a material impact upon the Company's resource planning, and accordingly that an extension of the IRP schedule in LPSC Docket No. I-37765 is both logical and necessary to develop a comprehensive integrated resource plan that best meets Cleco Power's resource planning needs. The updated IRP schedule is attached hereto as Exhibit 1.
