COMMISSION

In re: 2021 Request to Initiate Integrated Resource Planning Process Pursuant to the General Order (Corrected) in Docket No. R-30021 Dated April 20, 2012.

NOTICE OF AMENDMENT OF SCHEDULE OF EVENTS

The Louisiana Public Service Commission (“LPSC” or “Commission”) Staff (“Staff”), respectfully submits this Notice of Amendment of Schedule of Events to amend the Notice of Schedule of Events, filed on November 24, 2021 in response to Cleco Power LLC’s (“Cleco” or “Company”) 2021 Request to Initiate Integrated Resource Planning Process Pursuant to the General Order (Corrected) in Docket No. R-30021 Dated April 20, 2012 (“Request”), filed October 20, 2021, and Cleco Power LLC’s Supplemental Information to Request to Initiate Integrated Resource Planning (“IRP”) Process (“Supplement to Request”), filed November 15, 2021.

Staff submits this Notice to advise Cleco and the Intervenors (“Parties”) of this clarification of Schedule of Events, in accordance with the requirements set forth in the General Order (Corrected) in Docket No. R-30021 Dated April 20, 2012 (“IRP General Order”), whereby the date for Publication of Cleco’s Draft IRP is now set for October 24, 2022. Previously the date for Publication was set only for the month of October 2022, however Staff believes that setting a firm date for Publication will serve the best interest of the Parties. All other dates in the previously filed IRP Schedule of Events remain, thereby keeping the 24 month overall process specified in the IRP General Order.
