▶ Required documentation

Please submit the following required documentation:

- Completed Verification Form
- Certificate of Occupancy
- Completed W-9 for applicant
- Invoice containing model/serial numbers and an AHRI certificate for both:
 - > Installed water heater
 - > Central heat pump system

***All documentation must be submitted within 45 days of Certificate of Occupancy Issue Date.**

I acknowledge that Cleco and its representatives reserve the right to perform onsite quality assurance inspections before, during and after the work is performed to verify both rebate and discount eligibility. In the future, laws may change to allow consumers to choose their electric energy supplier. This agreement does not bind me to Cleco, but I understand that, should I choose to purchase electric energy from a supplier other than Cleco, Cleco may cancel my remaining program benefits upon giving 15 days written notice. I understand that all required documentation must be submitted with this verification form within 45 days of certificate of occupancy issue date.
