

INTERIM STORM RESTORATION CHARGE ADJUSTMENT

(1) **APPLICATION**

This adjustment clause is applicable to electric service furnished under all rate schedules incorporating Adjustment Clause SRCA.

(2) **INTERIM STORM RESTORATION CHARGE ADJUSTMENT**

There shall be added to each monthly bill for service an adjustment for interim recovery of financing costs on the amounts expended for storm restoration costs as approved by the Louisiana Public Service Commission in Order No. U-35807 (5-21-21) until such time as the final storm restoration costs have been established and verified and the LPSC issues its order authorizing recovery of final storm costs and the securitization of those costs.

Rate Schedule SRCA shall be subject to true-up in accordance with the schedule prescribed in the LPSC's interim storm recovery order with such true-up being made in the final storm costs and securitization proceeding.

Applicable SRCA adjustment factors for each customer class are as follows:

<u>Customer Class</u>	<u>Per kWh factors</u>	<u>Per kW factors</u>
