

RESIDENTIAL ELECTRIC SERVICE

(1) **AVAILABILITY**

Service under this Schedule is available at any point on the Company's electric system where facilities of adequate capacity and suitable phase and voltage are adjacent to the premises to be served.

(2) **APPLICATION**

This Schedule is applicable to service furnished under the following conditions:

- (a) Private residences and individual family apartments for domestic purposes therein, where service is supplied at one point of delivery and measured through one meter or one metering installation.
- (b) Combination domestic and farm purposes, provided that farm use must be limited to the processing of products grown or raised on such farm, or products for ultimate consumption on such farm. Such usage of electricity for farm purposes, in conjunction with residence use, shall ordinarily be measured and billed through one meter. However, when the distance on any one such farm between the residence and the place of other use is, in the opinion of the Company, so great as to render such combination impractical, each location will be metered and billed separately.

This service may not be shared or resold.

(3) **TYPE OF SERVICE**

Service shall be a single-phase alternating current at any one standard voltage. Voltage shall be at the option of the Company.

(4) **NET MONTHLY RATE**

(a) **Customer Charge: \$9.00**
